

RECREATIONAL CRAFT DIRECTIVE AWARENESS COURSE

Sheffield – 29th October 2008

Ipswich – 9th December 2008

Hatton – 11 February 2009

Egham – 2nd April 2009

The Course is relevant to:

- All those with responsibility for the design and construction of recreational craft, for example: directors, managers, designers, consultants and surveyors;
- All those involved in boat building who are responsible for the supply of equipment to any new boat, including engine suppliers;
- DIY builders who wish to CE Mark their own boats.
- Importers of agents for boats built outside the UK

Detailed content:

- The background and legality of the RCD;
- Boat design categories;
- The detail of the compliance modules;
- The responsibilities of the Notified Bodies;
- The “Essential Requirements”;
- The relationship between the directive’s requirements and the use of EN/ISO standards;
- The details of the Technical File and documentation requirements, including “Owner’s Manual” and “Declaration of Conformity”;
- Annex 11 components;
- Post construction assessment;
- Exhaust and sound emissions;
- The BMF RCD CD ROM.

Fees:

BMF Members	£99.00 + VAT
Non Members	£175.00 + VAT
